THE BEST IN A LONG TIME

Dear *Voluptuous*,

I'm a long-time reader, first-time writer. For years I have read V-Mail and delighted in the comments from my fellow readers, never once thinking I would send in a letter. Bea Flora has changed that.

She is, without a doubt, the sexiest big titter I've seen since perhaps Chloe. Although Bea isn't as busty as Chloe and nowhere as busty as Linsey or Nicole, like Ines Cudna (my second favorite model of all-time), Bea is the complete package. She is absolutely

gorgeous, with a perfect body, and those dark, seductive eyes are so alluring, I rarely find myself looking at her body, if you can believe that.

More pictures, please. Explicit, tame, nothing but head shots, I don't care.—B.F., Wisconsin

NO BIG DEAL

Dear *Voluptuous*,

I can already tell that I am going to be in the minority here, but I don't see what the big deal is (or will be) with Bea Flora.

I read both *Voluptuous* and *SCORE*, and seeing all of the hoopla surrounding Bea Flora's debut in each magazine, you guys are making it seem like she's Nicole Peters or Linsey Dawn McKenzie or even Ines Cudna. Yes, Bea Flora is very pretty. Yes, she has a great body. Yes, she's probably going to be 2005's Newcomer of the Year. But, at least for me, there's something missing with her. Maybe if she smiled every now and then, I might feel something for her. As it is, Bea Flora is no Nicole Peters.—R.W., Ohio

BRING BACK "THE JUNGLE"

Dear *Voluptuous*,

I love a woman who looks like a woman and not a pre-pubescent toddler, and I don't think I am alone when I also tell you that I love a

Bald v. Beavers. V-men love both. So, we'll keep on showing a good mix. As for this jungle to the left, take a guess who this is. Our editor's collection of used penis pumps or a big congrats goes to the first person who guesses correctly, winner's choice.

Is Bea Flora perfect? We found a picture of her smiling, so now we know she has all her teeth. But is she better than Nicole Peters? We can't choose. All we know is, with both of these hotties in the July '05 *Voluptuous*, that issue was a nut-drainer.

THOSE DAMNED LAWYERS

Dear Voluptuous,

At last, I have finally talked my wife into stripping, albeit only for a few headless shots for Voluptuous. As a long-time reader, it would be a real pleasure to see them in V-Mail.

As a stacked woman, my wife has always been slightly conservative, although she says if Marino ever makes a comeback, she'll be the first in line to volunteer to shoot with him.

"Sorry, hon," she confessed to me. "I've had a thing for him since high school. He could put it anywhere he wants." I did say "slightly" conserva-

tive, didn't I? Thanks for a great magazine.-A.C., California

Dear A.C.: As much as we'd love to show your wife's pictures in Voluptuous, our lawyers have told us that we first need a few documents. A copy of a government issued ID (proving she is over 18) and some statement basically stating: "For consideration the sufficiency of which is hereby acknowledge, I hereby plead, beg and implore Voluptuous to publish my pictures in its fine magazine." Sign it, date it and we'll make the magic happen.

zines in the world.

Now, for the star of the July '05 *Voluptuous* (Coco), I thought readers might enjoy this drawing of Coco's full frontal pose that I found to be one of *Voluptuous*' all-time classic shots.

I love a woman with lots of pubic hair surrounding a juicy, pink slit, and I think Coco has one of the sexiest snatches I have ever seen. She is fantastic.—W.E.H., North Carolina

SEXY OUTFITS

Dear *Voluptuous*,

In my personal life when I'm either on the streets of Los Angeles or inside a shopping mall I see lots of very cute and very busty ladies. They are always fully dressed and covered up. When I crack open your magazine I see just the opposite. Every busty girl is completely nude. I never get to see these big, beautiful, shapely, busty ladies dressed in sexy outfits.

Here's my idea. Put together a one time, 500-page special edition of *Voluptuous* that features 30 of your most popular models. Cover them in baby oil and dress them in a variety of skimpy, tight and sexy outfits. Have them posing in a variety of positions and in a variety of locations. Each model should be shown in full, single page format, just like they do in *Vogue* Magazine.—W.F., California

DON'T MESS WITH PERFECTION

Dear *Voluptuous*,

Over the years, The SCORE Group has given us a nearly countless number of women that are over the top on a numerical scale. Month after month I have to pick my jaw up off the floor when I encounter a new "discovery." Being a reader and subscriber since day one, I have seen many, many "let's see them top this one!" class of model. Okay, now I mean it. I'll have to get my jaw wired shut on this one. Let's see you top Kelly Kay! She is without a doubt the cutest and sexiest babe that has ever graced the pages of *Voluptuous* and *SCORE* I just had to join Kelly's website at bustykellykay.com and have been more than satisfied with every image I have seen there. I am in total awe at her charisma and adorably sexy demeanor.

Kelly Kay has me captivated like no other model you have ever featured. I guess I'm not the only one, with Kelly Kay taking both *Voluptuous* and *SCORE* Newcomer of the Year honors. She is truly hot in a cute young babe way. I would not change one thing about her. Notice that I haven't even described her awesome body? Kelly's face alone gets me every time.

And therein lies the reason for this letter. While I have always praised you guys at The SCORE Group, I have too often seen many girls "changed" over their various follow-up layouts after their debut. A little bit too much make-up, wilder hairstyles and added weight for a more voluptuous figure on some women. Dawn Stone went from a doll in her first few layouts to a little harsh later in her career. The added pounds didn't do Inesse justice. Autumn Jade lost something in many of her photo shoots due to makeup, weight, etc. These are just a few of the examples.

I know you are trying to add variety and spice to give the girls a different look, but it doesn't always work. Sometimes perfection is just that—perfection, as in Kelly Kay.

Guys, please don't touch a hair, literally, on Kelly Kay. Don't cake on the make-up to tart her up to satisfy somebody's idea of sexy or have her pack on the pounds. Kelly Kay is an absolute dream come true just as she is.—"Bruce," New York

HE'S GOT HIS SYRUP READY

Dear *Voluptuous*,

Great magazine. I love all of the models and you do a good job of showcasing them.

There's one shot I love more than any and that is what you call the "pancake shot." It's the one where the girl is on her back with her tits pushed together, photographed from above so we can just imagine sliding our hard dicks between those tits and fucking them until we spurt a greasy load all over them. I love to see that type of picture. You could do an entire issue of just those pictures and I'd be ecstatic. -L.R., e-mail address withheld

ONE HAPPY CAMPER

Dear *Voluptuous*,

I just wanted to e-mail to tell you how much I have enjoyed the most recent issues (May, June and July). I love the bigger photos you are now doing, the comeback of the strip sequence and all of the great bra shots, especially my favorite (one in, one hanging) that you are now showing more regularly. Keep up the great work. -D.K., Texas

AMERICA THE BLUBBERY?

Dear *Voluptuous*,

"I don't care if you've been screwing all night. I want to see teeth!" That's a famous exhortation to a glum chorus line at a morning rehearsal, and it goes too for Kelly Kay, whose smile seems to have disappeared.

Has K.K. broken her incisors on a stale chip booty? Nah, not nowadays, even in Liverpool. More likely someone has told the super scouser that it's sexy to come on with lips slightly parted, no teeth showing. Well, yes, but that soon palls with repetition. Besides, Kelly has a smile fit to make any scrotum tingle, as her early pics in *Voluptuous* show. So, get your big, beautiful grin out with your big beautiful knockers, wacker.

It's a sign of the times that, in the 2004 *Voluptuous* awards, Americans bagged the top-three places only among the plumpers. The highest U.S. finisher in the *Voluptuous* Model of the Year contest was fifth, and the top American newcomer came in no better than tenth. Oh, America, the blubbery, from sea to shining sea.

How would you be fixed without Europe? Praise be for K.K., Ines, Nicole, Iva and many other Euro-marvels, including Nadine, last seen snoozing peacefully on her left boob. That's a picture (May '05 *Voluptuous*, page 69) alone worth the price of admission.—B.S., London, England

"MUM'S" THE WORD

A *Voluptuous* family affair starring supernatural Kelly Kay and super-mum Jane Kay.

Talk about a liberal mother. Jane Kay is her name, and she's Kelly's mother and friend. Very attractive at any age, but moreso at 46, Jane has observed every single photo shoot Kelly has ever done since her debut pictorial in the Oct. '04 *Voluptuous*. We thought it was a bit strange at first, but Jane told us she is fasci-

nated by the entire nude modeling scene.

Plus, she readily admits that she has been living vicariously through her daughter's success. So, when a comment was thrown into the air by one of our lensmen during Kelly's latest posing session ("I'd like to see you pose, mum!"), nobody was surprised when Jane said, "Okay." She posed

first for a layout in *40Something*,

The SCORE Group's M.I.L.F.

mag, with Kelly watching and applauding. When Kelly's

turn to pose came around, daughter looked at mother, mother looked at daughter, and within seconds

Kelly and Jane had become the sexiest

mother-daughter dynamic duo

we have ever seen!

AN XTRA OPINION

Dear *Voluptuous*,

I was extremely happy to read recently that you decided to remove the revolting hardcore sex parts of *Voluptuous*. I've been a long time subscriber and have every issue you've published, but I had actually let my subscription lapse because I couldn't take all of the hardcore anymore. It was literally my last issue when I noticed the XXX section was gone.

Now, I get the latest issue, and *Voluptuous Xtra* is back again.

It's been a sad thing to watch my favorite magazine slide into the toilet. It wasn't so bad back in 2000-2001 with the occasional, carefully demarcated *Xtra* section. The next thing I know, there was hardcore all through the magazine with no safe haven.

Why can't you just let *Voluptuous* be about showcasing the lovely ladies? Or, in the alternative, can subscribers receive a “clean” version?—Name and e-mail address withheld

Editor's Note: The overwhelming number of readers want *Voluptuous Xtra*, and the political climate notwithstanding, we're going to deliver it. As for the “clean” version, please contact SCORE Group customer service at 1-305-662-5959 to discuss that alternative. ①

CHRISTIANE

Gentlemen, start your stroking!

We gotta warn you guys right off the snap, this is one kick-ass issue. You've already seen Kelly Kay and her mum which, admittedly, was a bit funky. But now, no more curveballs... We're throwing nothing but heat! Here comes the most *Voluptuous* nurse alive, Germany's Christiane, here to prove once again that, for the connoisseur, it's all about the tits!

You wanna know what an old-fuck editor-type jacks to during a morning shower? You're in a hospital because your Viagra is pushing into its 50th hour. The big dog just won't go to sleep, and where you were walking around your neighborhood with pride, now it's getting a bit embarrassing. As the nurses change shifts, Christiane walks through the door and tells you she's got the 11-seven shift. Her cleavage is spilling out everywhere. It's amazing. She picks up your chart, chirps an amazed, "Oh my," then looks at you and smiles. All of a sudden, a 58-hour boner is sounding better and better.

With saucer-sized areolae, thick, pliable dugs and more cleavage than most two women put together, Christiane has a rack-and-a-half. And, she has some nice panties, too. Hey, nobody's perfect, and the only knock against this wonder-babe is how tame she is. True, this month we're getting a look at her landing-strip thatch (the next spread), so who knows. Perhaps Christiane will get hotter the next time. One thing's for sure—her tits will still be there, and you know what? That's plenty good for us!

BOSOM FUCK BUDDIES

Break out the strap-ons, 'cause these gals want to do way more than just tongue kiss!

"Hi, I'm Angela, nice to meet ya. The director said kiss a little so...ahh, what the fuck are we waiting for? Where are the bloody strap-ons!" That's kinda how it went when Brandy Talore (above, left) and Angela White (the other gal) met for their *Bosom Buddies* #6 lezzie lust-fest, only we kinda ad-libbed those first two sentences. The third. That's pure Angela!

The first thing you all should know is, neither Brandy Talore or Angela White is a lesbian. They both love cock! Big, thick, hard cock pounding their tight twats. And big, hanging nuts, too. However, every now and then, a gal gets a certain itch that only another gal can scratch and lick and slurp and tongue and finger and fuck with a dildo. Welcome to the wonderful world of Bosom (Fuck) Buddies.

Yeah, looking at Angela White giving Brandy the business, you just know those teen slumber parties back in Angela's home in Australia weren't just tea and cookies. "Oh, I ate a lot of cookies!" Angela told us with a laugh! She's a wild one, Angela is, and she loves the power of deep-dicking a girl to climax with a strap-on. What does Brandy think of Angela packing the power? "I love catching, but I also love to pitch! Let's see if she takes it as good as she gives it!" Man, these girls are so nasty, anybody know where we can find two more just like 'em?

Having perfect F-cup breasts helps, but it's Nadine's mystique that makes her every picture a cherished keepsake. Nadine doesn't pose much, and when she does she is normally conservative and sublime, sometimes too serious looking. This month, however, we're seeing a whimsical Nadine, baring bush, goofing on an ATV and showing everybody her playful personality. She has never looked better.

Hot Chocolate

All this white boy has ever fantasized about is ass-fucking a big, black mamma like Rhonda. But, could she handle his colossal, brother-like cock?

Erotic Fiction By ROLAND BYTE

Illustrations By OTIS SWEAT

Marco lay on his bed watching hip hop videos, jerking himself off under the covers as he delighted at the sultry brown divas shaking their bodacious backsides shamelessly inside his television screen. He had been stroking himself to the rhythm of the music until he could hold off no longer. At the sight of two ebony dancers sliding up and down each other's oiled-up body, Marco abandoned the beat and cranked away at his own pace, splattering his bed

sheets with a thick coat of creamy, gooey jizz. He clicked off the television, wiped himself dry and got out of bed to throw on some clean clothes.

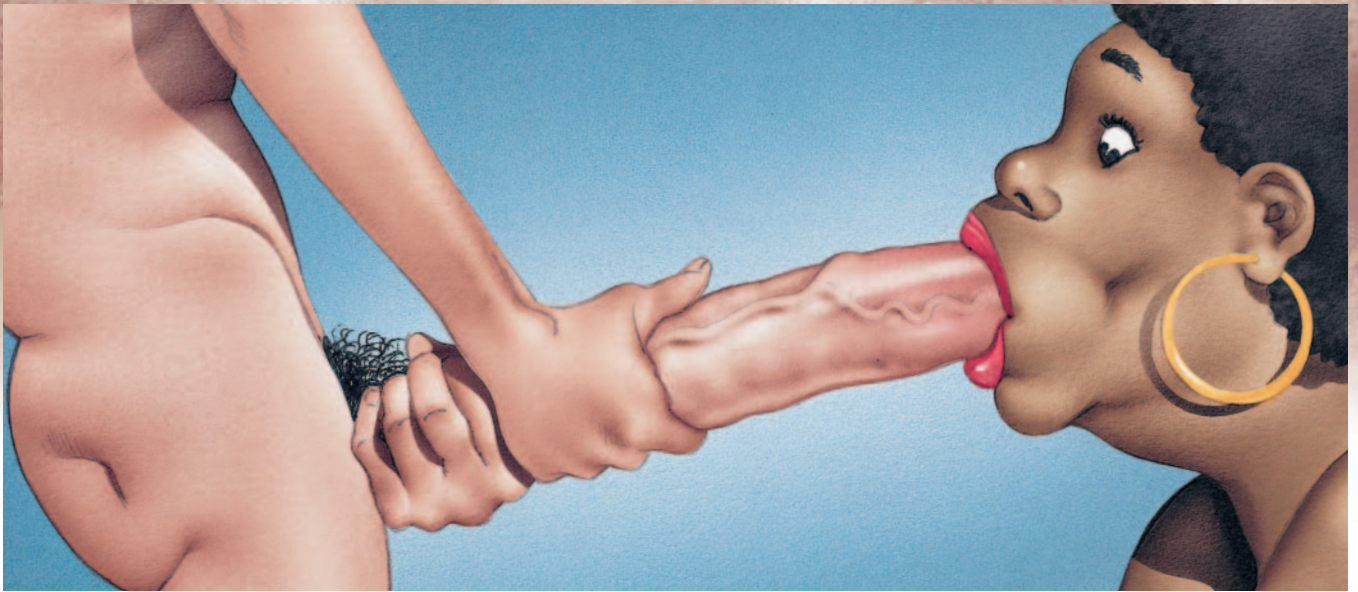

This was how Marco began many of his mornings. He was 27 years old, unemployed and still living at home as he plugged away at a fledgling writing career. Several times a week, Marco would hit the streets and spend the day with his friends at a comic book store in the neighborhood.

He led a very mun-

dane life by anybody's standards. However, Marco had a secret obsession. He wanted to fuck a black woman. And not just any black woman—a black *Voluptuous* woman, just like the ones he had jacked off to in his favorite adult mag and in some ethnic videos.

He fantasized about this all the time, but Marco was only 155 pounds soaking wet, and only five-and-a-half feet tall. Just a skinny, goofy white boy who, at first glance, would not be on the A-List of any foxy black mammas. Even worse, he

lived in a small neighborhood that was almost completely white, reducing the chances of him fulfilling his lustful desire. Luckily, the neighborhood was only *almost* completely white.

Each day that he walked down the street from his house, Marco passed the local bakery on the way to his buddies' shop. There was this large black woman who worked inside in the back of the bakery, and Marco could see her through a tall window. Sometimes he would just stand outside for several minutes, absolutely mesmerized as he peered at her plowing her pudgy hands through the dough.

Marco figured she was probably in her mid-30s. She had a round, jolly face that seemed so friendly, even during the tedium of making bread. She wore giant hoop earrings and a hairnet covered a modest afro. Her skin was a deep, rich brown that shone in the light like the finest, smoothest leather. She sported a huge, powerful physique that greatly excited Marco, highlighted by a pair of titanic jugs that pressed her apron way out from her body. Whenever she would turn around to slide a tray in or out of the oven, Marco was treated to the view of her breathtaking fat ass that was perched atop two incredibly sturdy legs.

To most, she would be considered ordinary at best. To Marco, she was the hottest bitch he'd ever laid eyes on.

On this particular day, Marco headed

out for a routine afternoon with the guys, but his heart sank when he pressed against the bakery window and discovered that the big honey wasn't there. He figured it was her day off, and in her place was a rail-thin blonde who didn't do a thing for him. Marco continued on his way, dragging his feet with a touch of disappointment.

Marco found himself walking in front of the tiny supermarket that was just a block from his normal destination, when his mundane voyage took an electrifying twist. There she was, walking out through the automatic exit door of the market, her

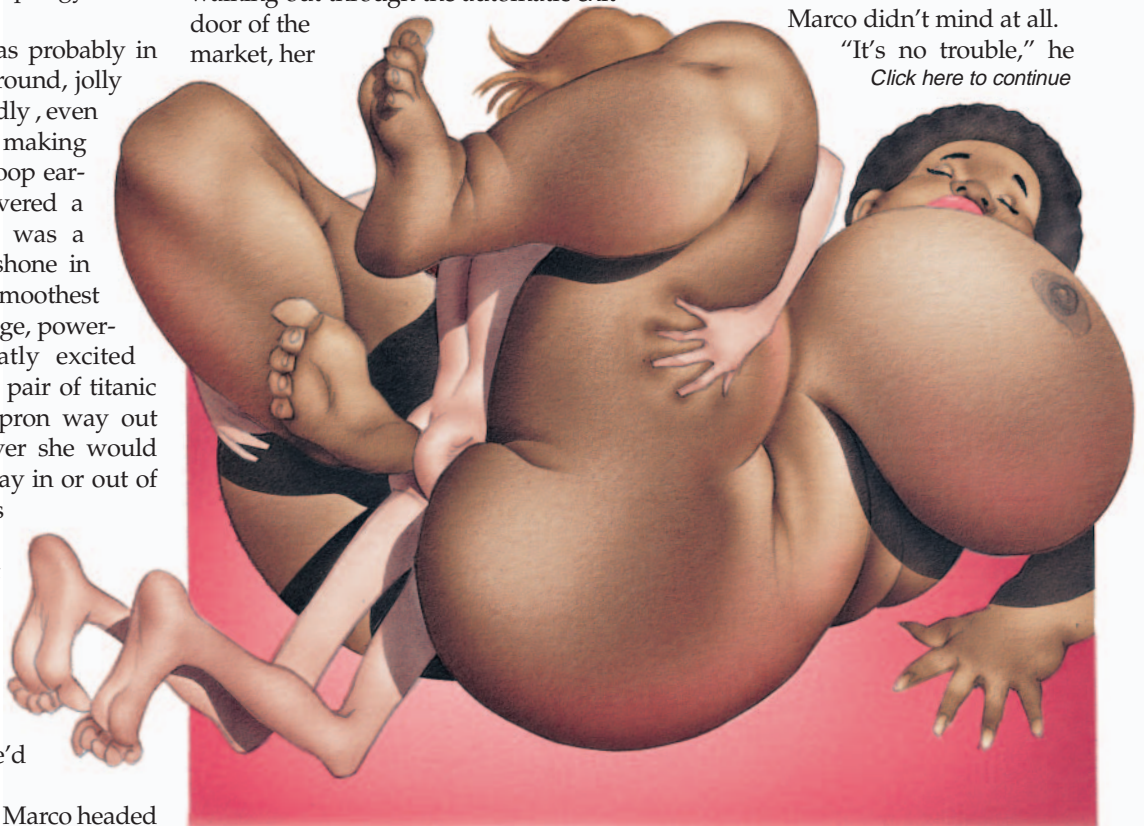

beefy arms overloaded with stuffed grocery bags. Marco didn't know what came over him, but he seized the opportunity for interaction and raced over to the struggling woman.

"Wow, let me help you with those, ma'am" Marco pleaded as he wiggled a couple of the bags into his arms.

"Oh, bless you, baby," sighed his sexy baker as the sweat cascaded down her forehead. "I thought I could handle it all myself," she chuckled, graciously conceding defeat. "I live just behind the store in that apartment complex, if you don't mind, dear."

Marco didn't mind at all.

"It's no trouble," he

said, grinning as he walked a step behind her toward her place. He had never seen her outside of her white baker's uniform until then. She was wearing a tight red blouse that was sleeveless, but was clinging tightly to her oversized curves. On the bottom, she wore a black leather skirt that stretched bravely across her humongous bum, which kicked from side to side with each step of her thickly built legs. She was no taller than Marco, but she was at least twice as broad. She looked like she could snap his little ass in two if she so desired, and that was turning Marco on like crazy.

This was an unbelievable chance encounter, a dream come true, and his swollen cock twitched in his pants as he followed the black beauty to her building and up the stairs to her apartment door. She opened it up and Marco followed her inside as she walked through to the kitchen, set her bags on the counter and instructed him to do the same.

"Thank you so much, baby," she gushed as they stood face to face. "My name's Rhonda. Thank you so much."

Marco introduced himself, as she extended her hand. The instant Marco made contact with her, he felt an erotic rush thunder throughout his body. As their hands parted, it was replaced by a feeling of melancholy as Marco figured it was time to leave. He said it was nice to meet her and turned to walk away.

"Wait!" Rhonda cried out. "Let me give you a few dollars for helpin' me out like that, baby."

"Don't be silly," Marco replied. "I was glad to help."

"Well, you ain't leavin' without at least tryin' a slice of my apple pie as a reward," she declared as she grabbed Marco's forearm, guided him over to the small kitchen table and plunked him down in a chair. "I insist."

Marco offered no resistance as Rhonda quickly fixed him a plate with a huge slab of apple pie on it. "I make the best apple pie around, baby, but I ain't got nobody to make it for," she lamented. Marco dug in, and after a single bite, he agreed with her.

"Mmmm, that is delicious," he gushed as he peeked up at Rhonda, who stood over him awaiting the verdict. "Delicious! I sure as hell can't believe you're single," he continued as he plunged his fork in again.

"Awww, that's so sweet, honey," Rhonda cooed. "Maybe I could get me a man if I started force-feeding them pie on the street," she joked, followed by a hearty, sultry laugh as she placed a hand on Marco's shoulder. Marco was overwhelmed with the excitement of being near Rhonda, and he started to get carried away.

"The pie aside, I can't believe you're single," he blurted out, his mouth filled with Rhonda's tasty offering.

"Whoa, what do you mean, baby? You sayin' I got it goin' on or somethin'?" she inquired with one eyebrow sharply raised. Marco couldn't believe he'd just announced that the way he did, but he proceeded cautiously as his cheeks turned red with embarrassment.

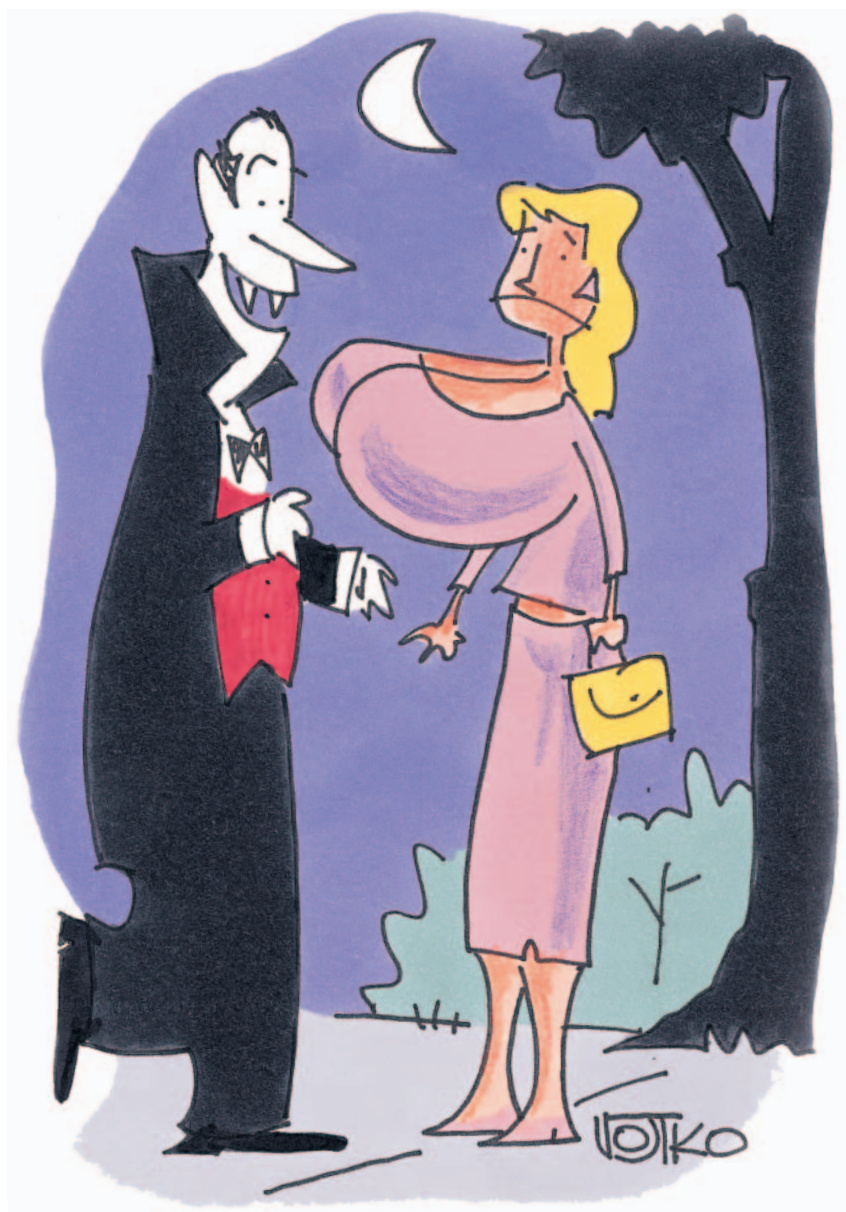

"Well, um, yeah," he mumbled, staring down at his pie, unable to look up at Rhonda. "You're...attractive...I think."

"Are you shittin' me?" she asked as she put a hand on each side of Marco's neck. He didn't know what to say as Rhonda began rubbing his shoulders, kneading them roughly the way he had seen her do with dough so many times at the bakery. She leaned in closer to him. "Or maybe you just wanna get with my fat, black ass," she whispered lustfully in his ear. "Get some hot chocolate to go with that pie."

Marco gulped.

"Put your fork down, sweetie," Rhonda instructed, even though most of the pie remained on the plate in front

BRUNA

Brazil's latest busty bombshell

Spanning the globe to bring you a constant variety of boobs... The Wide World of Tits is cumming at ya from Rio De Janeiro, Brazil, home of big booties, teeny thongs and... Bruna. That's this gal's name, which we think is Portuguese for *Black, Stacked and totally Voluptuous*, though we could be delusional, which we thought we were when this busty babe e-mailed us some jpeg photos asking if she was busty enough to be in *Voluptuous*. What was our answer? You're looking at it!

BARE FACTS

BRUNA

Age: 22

Birthday: September 20, 1983

Height: 5'7" **Weight:** 163 lbs.

Measurements: 44-35-45

Bra Size: 38E

Born: Rio De Janeiro, Brazil

Occupation: Nursing student

Favorite Tit Cream: "I use hydrating creams and oil (oleo de amendoa) every night to keep them soft and lush."

A 22-year-old nursing student in Rio, Bruna told us that she's always been insecure about her boobs, or lack thereof. Bruna was flat chested at 16, but on her 17th b-day the magic started. In a year she went from an A-cup to a D, and in the last year Bruna has blossomed into a mighty full E-cupper. Plus, she's discovered the joys of tit-fucking and nipple orgasms. Still, even with her incredible body, Bruna told us she still needed some reaffirmation that she was desirable, which is why she e-mailed us. "If you think I am good enough, it would be an honor to be in your fine magazine," she humbly wrote. Bruna, honey, the honor is all ours.

of Marco. He complied, and Rhonda left for the living room to make sure that the apartment door was closed and locked. When she returned to the kitchen, Marco's breath stopped and his heart was wedged in his throat as Rhonda started to wrestle her way out of her skin-tight leather skirt.

"I'm a whole lotta woman," Rhonda cautioned as her skirt found its way to her ankles, then was kicked away. "You think your tight, little white ass can handle me?" she teased. Marco nodded with widened eyes, almost in a euphoric trance, before Rhonda turned away from him and gave him a perfect view of her heavenly brown buns while she unbuttoned her blouse slowly. Marco

marveled at how the deep brown of Rhonda's flesh glistened as if it had been lovingly polished with expert hands. Marco had also never even seen a photograph of an ass that big that didn't have at least a trace of cellulite, but her rotund bottom appeared flawless. She had wide, heavy thighs and calves that sloped out in beautifully large curves, looking like they could squeeze the shit out of Marco's wimpy little body. Rhonda reached back and crisply spanked her right cheek, causing a slight ripple to move through her spectacular rump.

"You like what you see, dear?" she quizzed Marco.

"Oh, oh, yes," he whimpered as his body trembled from the pleasing assault on his senses. "I love it."

With that, Rhonda turned around with her blouse completely unbuttoned

and revealed her luscious whoppers to an incredulous, lustful Marco. His restless cock was storming the front of his pants, desperate to be released. Her lovely knockers were even larger than Marco fantasized they could be, and her belly made them jut out even further.

Rhonda looked seductively into Marco's eyes and wiggled her boobies from side to side, before stepping onto an empty chair and easing herself up on top of the kitchen table. She moved across the table, closer to Marco, and positioned her enormous caboose directly over his dish. Then, *splat!* She sat right down on the dish in front of Marco, who remained in his seat with his face at the level of her swinging bobbers, while the cool apple pie oozed into Rhonda's pussy and ass.

She reached forward and grabbed Marco's shaggy brown hair, then pulled his head toward her plump bosom. She tugged her blouse to the side and offered her left hanger to the seated Marco, who eagerly clamped his lips onto her chocolate nipple. Marco thankfully suckled at Rhonda's breast while lovingly stroking her belly.

"I just wanna make you my pet," she whispered as she gently tousled his hair, still clutching him to her chest. "What do you think about that, baby? You'd love that, wouldn't you?"

"Mmm-hmmm," Marco grunted with a mouth full of tit.

"You'd be my little white boy-toy, wouldn't you?" Rhonda giggled.

"Mmmm-hmmm."

Rhonda carefully guided Marco's head from one nipple to the other, back and forth, making him alternate his passionate suckling. At one point, he stopped and Rhonda wrapped her wonderful jugs around his head. The warmth of her bosom sent a tingle throughout Marco's body, as he never knew a human being could feel as content as he did at that moment.

"You know, baby," Rhonda began, "You got shitty manners. You're a guest in my home, and you didn't finish your pie. That just ain't right."

Marco looked up to see a scowl on Rhonda's round face, but as he went to speak, she placed a finger over his lips to keep him from responding. Rhonda pushed herself from the edge of the table and moved to its center. She rolled her voluptuous body over until she was on all fours, her pie-covered ass facing

INES CUDNA

Is this beauty the fairest of them all?

You won't be getting an argument to the contrary from most of us editor-types here at *Voluptuous*. Yeah, we know we're not supposed to play favorites here at Big-Tit Central, but when we see a picture like this, of a babe with a body this perfect, topped off with a Helen of Troy face peering up just begging us to get in the tub, man oh man, we just can't help ourselves. Ines Cudna is a boner-fide babe and super-nova hottie. We'd drink her bathwater if she asked us, and we'd have to fight off thousands for the privilege.

Ines has been a masturbatory fixture in V-men's lives since she debuted two-and-a-half years ago in the March '03 *Voluptuous*. About the only knock V-men have against Ines is that she's too perfect, and sometimes the fact that she is so gorgeous makes Ines come off as aloof, to which we say, "Okay, and your problem is?" Guys, you forget that Ines is not a professional model. As gorgeous as she is, Ines is as ordinary as the rest of us. She's shy, soft-spoken, insecure with her looks (go figure?), and, when she's not posing, she's a student, learning to be an automobile mechanic. Heck, perhaps Ines is too perfect after all.

BIANKA

“I want you to cum all over my face!”

From the soft-spoken Ines Cudna, we now come full circle to the “slutty” Bianca, a Polish beauty with a body built for sin and a “party-all-the-time” attitude to back it up. Yes, we called Bianca “slutty.” Trust us, guys, it’s a term of endearment.

"I love for people to watch me have sex. I love to blow men in restaurants and fuck in convertibles," says this 22-year-old night club hostess who describes herself as a cocksucking addict. "I get off when they grab my head and fuck my mouth hard and fast until they explode in me and their cum dribbles down my chin onto my tits. HOT CHOCOLATE

Continued from page 58

Marco. As flakes of crust peeled from Rhonda's gorgeous glutes, Marco knew exactly what was expected of him.

He plunged his face into her beautiful brown backside and began eating the sloppy mess away from her silky-smooth flesh. His hunger became ravenous, like he hadn't tasted food in weeks, as he set about orally cleaning Rhonda's wide load. There was a huge deposit of apple filling wedged between her cavernous crack, so Marco eagerly pulled apart her cheeks and shoved his face into the hole.

Marco gobbled up the chunk of pie quickly, but allowed his tongue to linger around Rhonda's dark pucker. She had a really smelly asshole, but Marco was so aroused that all he wanted was to lick her most intimate areas like a loyal servant. Even after the pie was completely gone, her poop chute had a delicious flavor that spurred Marco on ferociously.

"I think you got it all outta there, baby," Rhonda evaluated. "Now, lick the rest of my ass clean." Marco managed to pull himself away from her tasty backdoor and bathed Rhonda's fat ass with his tongue. Her mountainous rump went on forever, and Marco thought it would take an eternity to run his tongue across her entire butt. However, Marco wasn't complaining. There was absolutely no other place he would rather have been.

It wasn't too long before Rhonda wanted to advance their play, reaching back between her legs and pulling her pussy lips wide apart. "I think there's still some in there," she proclaimed, and Marco was quick to the rescue.

Her thick black bush tickled his chin as he deployed his tongue again and sampled African-American pussy for the very first time. He had fantasized about this moment for so many years, although he never imagined his lover's twat having a hint of an apple flavor. Rhonda's pussy was everything Marco dreamed black pussy would be, and he could not seem to service it fast enough to satisfy his insatiable urges. Soon, Rhonda wanted to progress again.

"That's good enough, dear," she said. "Now, move around here where I can see you." Marco hated to stop, but he obeyed and walked around the table

A woman with large, dark brown hair and bangs is smiling and looking towards the camera. She is topless, showing large breasts. A large, white, thick penis is visible in the foreground, partially obscured by her hand. The background is a plain, light-colored wall.

until he was facing her. Rhonda remained on all fours and instructed puny Marco to stand up on a chair so that his crotch was level with her face. Then, she told him to haul down his track pants, which were sticking out a good foot-and-a-half from his waist.

Marco did as he was told, and his monstrously huge dong sprang free, slapping Rhonda in the face.

"Wow!" she gasped, wide eyed. "Your cock is bigger than you are! You're even bigger than the brothers."

She opened her mouth as far as she could, then made a motion with her head, directing Marco to slide in his aching boner. He did so, and upon its entry Rhonda released a long, sustained groan of satisfaction. Marco's size was immense, but Rhonda struggled gamely to speak with her mouth overstuffed with abnormally huge white prick.

"Fuck my face!" came out incredibly muffled, but Marco understood and began moving his hips, driving his hard-on back and forth over Rhonda's tongue. The cock-hungry baker savored her first taste of dick in a very long time, and her full lips clamped down on Marco tightly to avoid his member accidentally flopping out. She reached around his waist and massaged his ass cheeks with her big hands, again as if she was kneading dough on the job. The added sensation of Rhonda's chubby hands roughly gripping his flesh kicked Marco into overdrive, and he began slamming into her until he was, unbelievably, practically ramming his long dong down her throat.

Rhonda was grimacing with every thrust, trying to handle the monstrosity of man meat that was in her mouth, but she loved having a big white dick in her so much there was no way she was going to let Marco stop. When he would start to let up, she would pull him closer and grunt for more. Marco was happy to continue plowing his monster tubesteak into Rhonda's face, but as gifted a sword-swallower as she was proving to be, they both craved something more. Marco's cock was throbbing to penetrate Rhonda's hairy cunt, and her cooze was afire with the need to have that hard, huge member slam into her.

Rhonda managed to haul the gargantuan tool from her mouth and licked the head all over while looking lustfully up at Marco. No words were necessary between them. He wanted to fuck her

desperately, and she desperately wanted to be fucked. Marco stepped back from the table and proceeded to get completely naked, while Rhonda slid to the edge of the table and lowered herself down. She grabbed his hand and led him from the kitchen, across the living room and into her small bedroom. She closed the bedroom door, turned around and lunged at Marco. They passionately kissed, and Marco pulled Rhonda's open blouse away, dropping it to the carpet as they ran their fingers all over each other's naked body. Her skin was so soft, and it was beginning to perspire, making Marco's cock grow to the point where he feared she would run away from pure fright.

The embrace ended, and Rhonda flopped onto the bed and spread her tree trunk legs wide apart.

"Fuck me, baby," she whimpered. "Fuck me hard." Marco hopped onto the bed and bellied up at Rhonda's love box. She reached down and parted her lips, then Marco got control of his pulsating man meat and guided it into her slippery twat. The lovers let out a collective moan upon the union of their loins, and Marco wasted no time in moving in and out of his comely ebony companion at an inspired pace. Marco was realizing his dream—he was banging a black woman—a huge, sexy, cock-starved black woman.

As the thrusts came harder and deeper, Rhonda's hands clawed the bed as her body writhed and her head convulsed from side to side in overwhelming ecstasy. Her spectacular melons moved up and down in scintillating flourishes, which kept Marco's eyes glued to them.

"Oh! Oh, yes!" squealed Rhonda as Marco began altering his strokes. He would pull out until only the tip of his dong remained enveloped in her oozing box, then he would pound his entire length back into her with lightning-fast drives, each blast making Rhonda shriek and howl with glee.

The force of the sustained, high impact prick-pounding was actually beginning to make Marco's schlang sore, but unless it fell off, nothing was going to stop him from hammering the orgasms out of Rhonda. She was now dripping with sweat and her delirious mumblings had become incoherent as Marco banged away. Her magnificent hooters were wobbling, flailing wildly up and down and back and forth from

the frenzied fucking she was receiving. Rhonda had her legs raised, and Marco wrapped his arms around her mammoth quads to steady himself, as the fierce screwing pace continued.

The minutes ticked by inside the clock on Rhonda's bedside table, and the steady diet of monstrous white cock had her in the middle of an earth-shattering climax. The explosion of pleasure tore through her oversized body in overpowering spasms, causing her to buck and shudder as Marco kicked it up one final notch to push her over the edge. Rhonda had lost total control over her own body and released a frantic series of orgasmic cries until she just lay motionless on the bed, spent from an overload of sexual joy.

Marco stopped, panting heavily, and tenderly kissed Rhonda's calf which was still up by his face. She would twitch every 10 or 15 seconds as the aftershocks of her eruption continued to stir inside her.

Marco removed his still rock-hard and oh-so-colossal prick, which was dripping with Rhonda's glorious love juices. He wanted to cum, too.

"I wanna stuff my sticky cock up your fat ass. It's all I've ever wanted to do—fuck a big, black ass," he confessed as Rhonda struggled to regain her composure. She managed to sit up and face Marco, who was on his knees at the edge of the bed. She reached up and cupped his cheek with her palm.

"You got it," she whispered, flicking her tongue at Marco, who responded in kind until they were licking each other in a slobbering kiss. "Stick that big white prick in my big black ass, baby."

Rhonda grabbed a pair of pillows, and Marco stepped back off the bed. She placed the pillows in the center of the bed, then got face down with her belly on them, elevating her prodigious rump even more. She stretched her arms behind her back, grabbed her tremendous butt cheeks and spread them for Marco, inviting him to invade her delectable asshole.

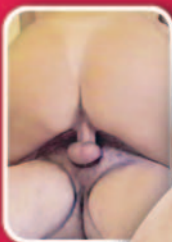

Marco hopped back up onto the bed, positioned himself behind her rear end and grabbed a firm hold of his rock-hard pecker. He aimed it for big Rhonda's shitter and eased it in with an assist from the coat of slimy girl-goo that still covered his shaft.

"Holy, fuck!" screamed Rhonda as the warm sensation of Marco's huge cock up her asshole sent her into orbit.

"Oh, yes! Fuck my ass!" she screamed.

Marco slowly and compassionately moved in and out of her tight poop chute as she grunted and moaned, her eyes rolling back in her head with depraved delight. Rhonda's ass gripped Marco's hard dick, squeezing it like a very strong hand jerking him off.

"Shoot your load in my ass," she begged. "Give it to me, baby!"

Marco wanted desperately to finish himself off, too, and he picked up the pace, slamming into Rhonda's stretching asshole with reckless abandon. He could feel the cum building, traveling through his system, seeking out some black booty. A breathtaking surge of energy tingled in the head of his cock, and an instant later, he fired a copious wad of white cream deep into Rhonda's asshole. As the cum flooded her shitter, Rhonda giggled with satisfaction, and Marco cried out with joy. His cock kept twitching erratically and made several more generous releases before Marco pulled out and collapsed on top of Rhonda's ass, exhausted from the passion, pleasure and intensity of plying his ebony dream girl with major wood.

"Phew!" Rhonda gasped as Marco landed on top of her. "That was amazin', baby. You're some kinda stud for a skinny, little white boy."

"Thanks," Marco replied. "You were unbelievable." He peeled himself from her body and fell back onto the bed. Then, Rhonda got up, moved the pillows and rolled over on her back. They nestled into each other's bodies and lay there making out, coming down from the chaos of their torrid fucking.

Marco's mind was racing. When he left home that morning, fucking a black woman was merely his deepest fantasy. He would be returning home that afternoon having eaten the pussy of a black woman, having received a blow job from her, having fucked her and having dropped a humongous load in her incredible butt.

It got Marco to thinking of all the black stereotypes he had heard, and he stopped himself from speaking one of them out loud for fear of even appearing the slightest bit racist.

"You know what they say, my little, horny white boy?" Rhonda said, breaking the silence. "Once you go black, you ain't never goin' back."

"I was thinking the same thing myself," Marco said, smiling as his mammoth cock began to stir.

Video Review By CURLY REDWOOD

Some of the hardest sexxx in *Xtra* history!

One thing that you can't help but notice in *Voluptuous Xtra* #11 is just how enthusiastic the women are. In most porn videos, it's usually not too difficult to tell which stars are there for a paycheck and which ones genuinely enjoy what they're doing. Trust old Curly, these gals are fucking for fun!

SEPT. '04
V-GIRL
ANASTASIA

Voluptuous Video Review

This video has some of the most enthusiastic and exhausting scenes you will see. What could be better than that?

ANASTASIA

Anastasia's parents are on vacation when the phone rings. Oh, no! It's her parents calling to check in. Anastasia tells them she has just been cleaning the house and doing laundry. And, of course, she hasn't been in their bedroom for any reason.

Then the camera pans back and Anastasia is holding an erect penis in her hand. And she's obviously in her parents' bedroom. What a bad, big-titted girl she is.

Anastasia's purple tank top can barely contain her huge beach ball sized hooters. As she and her man start getting into it, he pulls out what looks to be a cross between a small dildo and a glow stick. All we know is that the tip of this thing definitely would glow in the dark. While Anastasia sucks his cock, he works on her pussy with the unusual, but highly pleasing, sex toy.

This is a great scene for lovers of tit-fucking. Anastasia loves to use her rack to please a man. It doesn't hurt that she has nipples that are thick and wide or that they are pierced. Anastasia spends a large part of this scene with her cans wrapped around her man's dick, and who can argue with that? A tit-fucking from Anastasia is a recipe for success.

So is the sexual display these two put on. Anastasia gets slam-fucked in several different positions, screaming mightily with each thrust, until, after what looked like an exhausting (at least for this reviewer's forearm), but orgasm-filled fuck-session, Anastasia winds up with a big load of cum splashed all over her boobs.

LILITH

Let's get one thing straight right off the bat. Lilith certainly bears no resemblance to the only other Lilith we know, the former Mrs. Frasier Crane.

Our Lilith is having phone sex, when, out of nowhere, the batteries in her vibrator die. Rather than complain, Lilith tells her partner to get on over and finish her off. He comes walking into the room naked and hard, which can only mean one of two things. Either

he didn't have to walk too far or Lilith is great at phone sex. A quick flip forward on the DVD will tell you the answer to that, though you might want to put some cotton in your ears to muffle the high-pitched, orgasmic screaming. If you go unprotected, you'll be cumming in seconds.

Lilith has a hot look with her long, dark hair and huge, floppy tits. She does a nice job of riding her man's monster-sized pecker before she has him fuck her tits.

with so much reckless abandon, the bed starts coming off the floor. She smiles about it, but never stops fucking this lucky guy senseless until she drains what seems like a gallon of guy gravy out of him.

You know what Freud would say about that: She needs cock!

TEEN TITTER ANA

Horny teenagers not only fuck like rabbits, they also can't keep their hands off each other, especially if the girl looks like Ana, a totally cute blonde with a girl-next-door look and fantastic tits. If you're really into natural breasts—and who isn't?—Ana's are as close to perfec-

tion as you can get. They're not the biggest on the video or that we've ever seen in *Voluptuous*, but damn are they nice to look at.

So when Ana tells her boyfriend, "I think tonight's the night." And he says "For what?" you can't help but wonder how clueless a guy can be.

When Ana reaches down and tells him she wants to feel his big cock between her tits, not even this future Department of Motor Vehicles worker can miss that signal.

Ana is very specific about what she wants—a big cock in between her tits. She gets it. Our man slaps her tits with his cock before driving it between them, much to Ana's delight. They change positions, and Ana rides his big dick with her tits and tells him how much she wants to suck his dick.

She does a great job of staying focused on the task at hand as she gives him head. This guy bucks around so much that he looks like he's going to throw her off of him a couple of times. Ana gets down on her knees, and he winds up fucking her mouth.

Her man gives Ana some reciprocation when he goes down on her, but it is dick that Ana wants and she shrieks in delight when he finally shoves his hard cock into her. She begs for him to pound her and he does just that. Ana can definitely be described as a loud lay. She screams—and we mean *screams*—as he bangs her hard and deep.

Even better is when Ana hops up on his pole and starts bouncing up and down on it. Those perfect tits bounce up and down as she screams for more. Ana rubs her clit as her man fucks her hard from beneath her and seems on the verge of orgasm when they switch to a spooning position.

We see some great camerawork when Ana is on all fours. The camera is right below her tits as she's getting fucked, and we see close-ups of her bouncing boobs and of the ecstasy on her face. Great stuff.

The best way to sum up this scene is that the sex is smokin' hot and Ana is one incredible performer. Perhaps it's because this is Ana's hardcore debut, or maybe she's just one horny chick who loves to fuck and cum. Whatever. Sign us up for the Ana Fan-a Club now.

WOW NIKKI

We're not sure where Nikki (who we saw last month in another new SCORE Group video, *XL Xtra #5*) comes from—or why she is now a blonde—but we like the way she thinks. Seconds after walking into the room, she announces to the guy lying on the bed, "Hi. My name is Nikki, and I'm going to booby trap you."

an enormous trap, as she shows when she peels back her blue bra. Of course, our man falls right into it, diving into Nikki's cleavage like it was, well, cleavage. As he sucks on her boob traps, Nikki strokes his cock through his pants before finally releasing the beast.

As we wrote last month, Nikki certainly does seem to enjoy her work more than most. She is one of the most enthusiastic suckstresses we have seen. She loves having a cock in her mouth and clearly has a knack for making a man as hard as he can be.

Nikki continues to feverishly stroke on this guy's trouser snake in between wrapping her tits around it and pushing them around his bone. She then promises him, "I'm going to fuck the shit out of you." Sounds kind of messy, but we think she could do it.

The two move back to the bed, where Nikki gets on her back and has her man fucking the shit out of her rack. Nikki takes the tip in her mouth as he rams it in and out of her big melons. This goes on for a while, with Nikki sucking and stroking his big cock.

There is almost a sense of relief when Nikki finally is impaled by his man meat. She takes every inch of it and begs for him to go harder. This is what makes Nikki so popular and such a crowd-pleaser—she just wants to fuck hard. Nikki isn't about cuddling. She's about having a cock pound her pussy hard. Save the candy and flowers, just give Nikki a big dick to make her moan and scream, and she's a happy lady.

Nikki lays on her back and spreads wide for her man's rod. He buries it deep in her shaved hole and starts to ram it in and out of her. That's still not enough for Nikki. "Make it cum," she tells him. We're not sure if she's talking about his cock or her pussy. Knowing Nikki, we're pretty sure she meant both and forgive her for her syntax error. She's taking more than eight inches, after all, so she was a bit distracted.

The hammering really starts when Nikki gets on all fours. You can hear her man slamming into her meaty ass with loud thuds as each thrust pounds into her sopping wet gash. Clearly, Nikki can't get fucked hard enough, but our man gives it his best shot.

Nikki also shows some impressive riding skills. She has some great hip action while on top, trying to milk the cum out of her man's balls. She goes like that for a while, which would be

long enough to drain the jizz out of any man's balls. Nikki stops before he cums and gets on her knees, sucking and jerking his dick until he finally shoots his spunk all over her booby traps.

They seem to trap man-gravy pretty well, too.

ANNIE SWANSON

Normally, a woman waking a man from a sound sleep wouldn't be such a good thing. She'll want money or for you to go shopping with her or have some kind of chore for you to do because, you know, a man can never just have a day to himself.

Annie Swanson is different from most women. She wakes her man up wearing a blue halter dress that cups her massive mammaries in just the right way. After wishing him a "Happy Birthday," Annie tells him she has a surprise for him. He's suspicious, as any man would be, but then she tells him it's "a good surprise."

Annie then proceeds to pull the top of her dress down to reveal her huge hooters encased in a white strapless bra. Now those are two well-wrapped birthday presents. Annie unwraps her right breast, and then our man takes the initiative and grabs the left one out of its package. Annie leans over and smothers him in tit-flesh. We presume by now he's fully awake.

She reaches under the sheets and seems surprised to see that he's already hard. Well, of course he is. Doesn't she know about morning wood?

Annie goes to work on her man's other present: a birthday cocksucking. Annie has this great long, dark hair that she has to keep moving out of the way while she gives this guy head. It kept making us think about grabbing a handful while banging her hard from behind. That thought passed when Annie started to tit-fuck her man.

It's his birthday, so she lets him lay there, and she does all the work. About the only time he moves is to grab his pecker and slap it against her nipples. She wraps her floppy fun bags around his cock and moves them up and down while he grows even stiffer.

When she lies back on the bed, her man starts to diddle her and then pushes a finger inside. She continues to stroke and suck his cock until the birthday boy does some reciprocation. He puts Annie on her back and starts giving that pussy a good licking. He takes

his time and does the job right before sliding up and plowing Annie's hot rack with his dick. She's obviously done this before as she holds her jugs in just the right way for him to get maximum insertion. She grabs his joint and pops the head into her mouth

When they cut to the next scene, her man is just about to slide his cock into Annie's gushing gash. She's on all fours, and you get a good shot of the two tattoos just above Annie's plump ass. She keeps asking him to give it to her harder, and he responds by smacking her ass. Someone tell this guy she means his cock. That's why old Curly's here, to help men understand women.

Next, Annie and her man are in a spooning position, with her left leg draped over him. The best part about this scene comes when Annie looks directly into the camera—right at you—as she is getting deep-dicked by her man. She gives the same hot and contented look more than once in the scene, and if that doesn't get you hard, you need to get some of that Bob Dole medicine.

Annie then climbs on top and goes for a ride, reverse-cowgirl style. Her full, pendulous boobs sway back and forth and bounce up and down as she rides him hard. Not just her tits are bouncing, either, as Annie gets so into the passionate fucking, it looks like her entire body is bouncing.

When Annie gets on her back and spreads wide, she finally gets fucked the way she wants it. Her man does some drilling in her honeypot, which sends her tits bouncing. Annie's moans say she's receiving a proper fucking, and she finishes by getting on her knees and sucking him off until he spurts a stream of hot, gooey cum all over her rack. She looks up at him—and at us—and says, "Happy Birthday."

What man wouldn't love to see a smiling naked woman with his jizz covering her big tits on his birthday? It's just so perfect.

JULIET

Juliet comes out, dressed and ready to go, but it seems like it was pretty silly to put clothes on. They're coming off quickly in this scene because the couple have 90 minutes before her parents get home. First comes the blue floral top. Then comes the blue bra, which comes down to reveal a great pair of natural hangers. Juliet does her part by shaking her big cans back and forth so we can

see how bouncy they are. This girl has a seriously power-packed body—one made for sex, especially on video.

Juliet clearly can't get enough of her man's cock. Since the first seconds of the scene, she can't stop stroking it. After he gets her clothes off, she continues to pull on his pud and keep it hard. When she finally gets around to sucking it, she becomes almost crazed, like she's been given an all-you-can-eat card at a bakery. She attacks his cannoli, almost swallowing it whole while he reaches down and fondles her swaying breasts. Juliet even remembers to work on the balls.

Romeo gives her a minimal amount of oral, but Juliet is all about the cock. She wants to get fucked bad and can't get him to jam his salami in her hot hole fast enough. When he finally does, Juliet goes crazy. She moans, she screams, she gets loud (really loud!), telling him how much she loves it.

Juliet lays back with a leg over one of Romeo's shoulders, and he bangs her with that big dick. She sounds ready to explode. It gets even more intense when they switch to spooning, and he starts drilling her with shorter, more intense strokes. Give Romeo props for his stamina. He was able to hold off shooting his load when most guys would have cum twice.

Of course, this sets up the scene Juliet is built for. She gets on all fours, and her hanging tits are now really hanging low. Romeo gets a little more physical, spanking that ass and really slamming his cock into her. Juliet obviously enjoys the workout and the spanking.

When Juliet switches positions and climbs on top, we get a close-up of just how soaking wet her pussy is as Romeo fucks her from bottom. She takes over and grinds on him, taking every inch of his man meat inside her bald box.

By now, Juliet is in a fucking frenzy. We get a great close-up of her tits, which are doing some out-of-control bouncing as she rides Romeo's cock. Finally, she lies back and begs him to fuck her tits. Her man fucks them just as hard as he fucked her pussy. Tits have never been fucked this hard. Juliet makes sure to keep her tits wrapped around Romeo's cock until she announces to him, "I want your cum." He obliges, dribbling his load all over her jiggling, waiting chest.

A perfect ending for one hot-as-balls *Voluptuous Xtra* video. ①

SLIM-N- STACKED TO THE MAX

Some of the best tits we've ever seen!

Go ahead. Pinch yourselves, then dunk your head in a sink full of ice water. This is Marilyn. And these are her tits. One hundred percent natural. Thirty-two inches of G-cups. On a body so slim, she makes Sharmayne look like a chunker. And, that's the reason we're sitting here as stunned as you. It used to be only augmented women had this type of body with mega-sized tits, but not anymore. The Marilyn era has begun.

We gave you a sneak peak at Marilyn in the Sept. '05 *Voluptuous* when we reviewed the annual All-Natural issue of *SCORE* that had Marilyn's debut pictorial (Sept. '05 *SCORE*, available in the Back Issue Department on page 10), and instantly, V-men wrote in pleading for us to put her in *Voluptuous*. We were hesitant at first because Marilyn is just so incredibly thin, too skinny, perhaps, for *Voluptuous*. But then we took another look at her tits and kept on looking until finally, our boners got the best of us.

You can probably tell from the horny, uninhibited, “give-me-your-cock-and-give-it-to-me-now!” look in Marilyn’s eyes that she isn’t the conservative type. That totally shaved twat is another dead giveaway, and for once looks are not deceiving. Marilyn loves to party, dance, flash guys whenever she can and live the life of, well, exactly what she is—a gorgeous, bodied-up, 20-year-old pagan love goddess come to life. And, even though Marilyn still lives at home, she’s dying to bust loose and experience the world. Why do you think she’s posing? “I needed money to get a passport and travel across Europe and hopefully America,” Marilyn told us in delightfully accented broken English. “That is why I found you and e-mailed you. I want to be free.” Now, ain’t that ironic. This busty Russian yearns to be “free,” while all of us are going to be enslaved by Marilyn’s body for years to come. Yes, we said “years to come.” She’s not a one-shot wonder. Marilyn is posing for the long haul, so keep plenty of lube handy, V-men. This G-cup joyride has just begun!

Greetings, V-men, and welcome to the Horniest Show On Earth. By the looks of this picture you're probably thinking, either that's a little dick or those are some huge tits! That's a porn cock, boys! Man, does Sunshine look like a great lay or what? We've already seen her slurping on man-tool, and we just have to say, go back a page and take another look. You gotta love a busty babe who will deep dong on her back so you can play with her big, natural fun-bags while you pump her pretty face. About the only thing that tops it is, well, if that same lady can fuck as passionately as Sunshine is right here. No Cheshire Cat grinning for this furry-boxed fox. As Sunshine told us, "How can you smile when your entire body is cumming and the orgasm goes all the way from your toes to your eyebrows? Is that even freakin' possible?" We'll let you know in a second, Sunshine.

One thing we've been thinking about while stroking to Sunshine is, if we could have only one, which would it be? The mouth, the puss, or the tits? This gal has got it going everywhere you look. But, if we had to choose, we're going for those incredibly soft, spongy, full mounds of love. Hey, big, all-natural boobs make life worth living, and few things make us happier than a big G-cup dose of...Sunshine!

SAMANTHA

We haven't seen her for four years, and now here she is with a big dick!

The last time we saw Samantha Saunders, an administrative assistant from Yorkshire, England, was in 2001. Back then she was just a regular gal with an incredible body who was discovered by a *Voluptuous* reader at a disco. She posed a few times but got lost in the shuffle as the new generation of V-girls came on the scene. When she called our office this past summer asking, "Do you remember me?" we had to think back. Once the lightbulb went off, we thought, "Yeah, Samantha; she was a good one." Now, she's even curvier than we remember and a bit bustier. The years have been kind to her. Now, she's going to be very bad for all of us!

BARE FACTS

SAMANTHA SAUNDERS

Birthday: June 6, 1979

Height: 5'7" **Weight:** 152 lbs.

Measurements: 42-28-36

Bra Size: 36E

Lives: Yorkshire, England

Occupation: Executive administrative assistant

Previous *Voluptuous* appearances: Sept. '01, March '00, Jan. '99

How much did Samantha get into her first *Voluptuous* hardcore scene? To say she got nailed senseless might be the understatement of the year. Yeah, it's not often you see a busty babe like Samantha get fucked so hard she goes cross-eyed, but that's the beauty of *Voluptuous Xtra*—you never know what you'll get! See ya next month with loads more all-natural hardcore.
